

EU TYPE-EXAMINATION CERTIFICATE

No. VTT-C-11752-10-vene-001-16

Boat type	Yamarin 63 BR												
Conformity assessment module used	B (EU type-examination)												
Manufacturer / Orderer and address	Konekesko Oy Marine PB. 145 FI-01301 Vantaa Finland												
Applied rules	Recreational Craft Directive 2013/53/EU, annex I, Essential requirements. The extent of the examination is described on the back page.												
Identification information of the product	Construction drawings 17.11.2009 and Boat data form.												
Research report no.	VTT-S-08547-09 + Update 18.11.2016.												
Conclusions of the examination	The examined boat type complies with the Essential requirements in the Directive 2013/53/EU, annex I, with the following restrictions: <table><tr><td>Boat design category</td><td>C</td></tr><tr><td>Persons max.</td><td>8</td></tr><tr><td>Max. load</td><td>680 kg</td></tr><tr><td>Max. load on Builder's plate</td><td>600 kg</td></tr><tr><td>Engine power max. (outboard engine)</td><td>111 kW</td></tr><tr><td>Engine weight max.</td><td>261 kg</td></tr></table>	Boat design category	C	Persons max.	8	Max. load	680 kg	Max. load on Builder's plate	600 kg	Engine power max. (outboard engine)	111 kW	Engine weight max.	261 kg
Boat design category	C												
Persons max.	8												
Max. load	680 kg												
Max. load on Builder's plate	600 kg												
Engine power max. (outboard engine)	111 kW												
Engine weight max.	261 kg												
Remarks	The original certificate is written in Finnish.

1) The examinations are carried out by using examination methods and standards that are relevant for the product in question.

2) X = Examined and approved, - = This part of examination is not relevant for the product in question, v = the examination is not included in the conformity assessment module used.

The manufacturer that uses conformity assessment modules B+C, B+D, B+E or B+F shall inform the notified body that holds the technical documentation concerning the EC type-examination certificate of all modifications to the approved product which must receive additional approval where such changes may affect the conformity with the essential requirements or the prescribed conditions for use of the product.

The manufacturer or his authorized representative shall keep the notified body that has approved the quality system informed of any intended updating of the quality system.

This document relates only to the EU Recreational Craft Directive. Different directives or legislation may apply to other components fitted onboard the watercraft. It is the responsibility of the person signing the declaration of conformity to ensure such components are compliant with all applicable legislation
