“Electrically approved document in www.sertifikaattihaku.fi service (search e.g. with document number)”

This certificate is valid until October 10th, 2024 on condition that there is no modification which alters the design, material or the manner of construction of a packaging and the manufacturer and Eurofins Expert Services have a valid contract on certification. Inquiries concerning the validity of the certificate may be addressed to Eurofins Expert Services. Other conditions are listed below.

Documents based upon for approval	Report id.	Date	Issued by	Scope
	VTT-S-04650-14	10.10.2014	VTT	Type testing
	Declaration of Conformity	20.09.2019	Finncont Oy	Document
History of the certificate	This UN-certificate replaces UN-certificate VTT10FIT			

Conditions of the certificate:

The IBC can be used for transporting liquid substances of the packing group III, with maximum densities of 1.1 kg/dm³. The total vapour pressure of the packaged substances may not exceed 100 kPa at +50 °C.

The manufacturer shall define tare weights, gross masses and total capacity of the packaging.

The maximum allowed filling capacity of IBCs shall be verified in conjunction to manufacture. The maximum allowed filling capacity is determined in ADR 4.1.1.4.

The construction requirements and specific requirements of IBCs have been presented in ADR, Chapters 6.5.3 and 6.5.5.

Before it is put into service (including after remanufactured), at intervals of not more than two and a half years and after the possible repairing every IBC's shall be inspected according to ADR 6.5.4.4.

Where reference is made in this certificate to any regulations, publications, standards or other documents, it shall be construed as a reference to such publication in the form of which it is in force at the date of this certificate.

The manufacturer is responsible for the quality and continuous quality control of the product. In granting this certificate, Eurofins Expert Services does not accept responsibility to any person or body for any loss or damage incurred in respect of personal injury arising as direct or indirect result of the use of this product.

The use of the name of Eurofins Expert Services or the name Eurofins in any other form in advertising or distribution in part of this certificate is only permissible with written authorisation from Eurofins Expert Services.
